Hello fellow conjurers,

WOW!!! That is the only way I can describe the magic we experienced this month! My eyes are still a little "buggie".

We started out with an incredible close-up competition. 14, yes 14, contestants!!! Never have we had such a great response. And to top it all off, everyone was excellent! I have no idea how you were able to judge such a wide range of talent. But you did and here's the top three this year:

1st Place: **Francis Menotti**

2nd Place: **Eric Paul**

3rd Place: **James Bodine**

Congratulations to all who participated and thanks to those of you that judged the festivities. It was a lot of magic and I appreciate your patience in our new round-robin venue.

Well, the magic didn't stop there. On the 20th we had our annual public show and what a success it was! We had a great turn-out, especially for the evening show. I think the nice weather hurt us for the afternoon. The acts were great yet again!

It really amazes me how much talent we have in our club! We are extremely fortunate!

Thanks to all of you that helped and supported this show. I will have the numbers for you soon, but either way, it was a real success!

This Month:

Another great meeting is planned for November! It is our annual stage/platform magic contest. If it is anything like the close-up competition, you are in for some wonderful magic! We will be setting up the lights and a sound system for this one. A tape player will be available, but bring your own CD player if you need it.

Acts are limited to 12 minutes each. We won't be yanking anyone off, but just be considerate. The prizes are big, Big, BIG!

Put your act together now and we'll see you on November 12th for another neck-to-neck race.

Also, **Ed Hanisco** will be doing our teach-a-trick segment. We are all looking forward to hearing from a newer member of our club, but no newcomer to magic! Thanks Ed!

Club Business:

It has come to my attention from the home office, that many members are not International members. It
