I.B.M. RING 6 MONTHLY MEETING

THURSDAY, OCTOBER 5, 8:30 P.M.

NORTH BRANCH YMCA - 11th and LEHIGH - ROOM 103

★ This meeting will feature a gala show by the Delaware Knights of Magic. Our magical brothers from Delaware always go all out on a get together such as this, so we're assured of a fine program. All interested magicians, wives and friends are invited to attend this first of three guest nights to be conducted at I.B.M. #6 this year. As usual, light refreshments will be served after the show.

LAST MEETING

★ Twenty-six magic enthusiasts were in attendance at the September kick-off meeting. They were treated to a fine close-up display by John Scurti, Pete Plotkin and George Hample, and a fast-moving club show featuring George Hample, Hugh Carroll, Al Belmont, Jimmie Wilson (who had appeared the week before on the headliner show at the M.A.E.S. Convention) and Dick and Joanne Gustafson. Attendance prizes, donated by Jimmie Wilson, Pete Plotkin and Satan, were won by Ed Voorkees, Art Gilbert, Joe Brennan and Harry Franke. Following the show, those in attendance browsed through the large display of magical apparatus and books that had been set up for the evening.

NEXT MEETING

On Thursday, November 2nd, Frank Garcia, outstanding performer, author and lecturer will present his stimulating lecture on magical techniques. This will surely be one of the high spots of the year, so don't miss it. Prior to the meeting, you'll have a chance to meet and talk to Frank at a pre-meeting dinner to be held at a local restaurant. Details will be announced next month.

CHAT CHAT

⊙ Our own Lee Gray, who performed brilliantly with his doves and cigarettes at the Atlantic City I.B.M. Convention, scored again on the headliner show at the M.A.E.S. Convention in Harrisburg.

⊙ At the last meeting we were pleased to receive membership applications from Art Gilbert, Al Kalan and Al Belmont. We are sure that these people will enjoy the activities of Ring #6 and we cordially invite other magicians in the Philadelphia area to hop on the bandwagon. Our schedule of activities for this year indicates a combination of entertainment, instruction and good fellowship that's hard to beat.

⊙ Be sure to watch the "Magic Ranch" TV show featuring Don Alan and outstanding magician guests beginning Saturday, September 30th. This show will run for 26 weeks on a network of 180 stations.

⊙ A one hour magic show may be seen at 7:30 p.m. on Friday, September 29th on "International Showtime" on channel 3. Great European magicians such as Kalanag, Tornado, Samson, Jacques Alten, Paul Ariand and Christesco will be featured.

⊙ Mark Wilson is starting another great year on Saturday mornings with his "Magic Land of Allakazam" show. Magic is getting better than ever.
