NOVEMBER 1985

This Monday, November 11, 1985, DVCC members will be treated to a talk by JACK STECK entitled "Magic Castle vs. Magic Island" based upon Jack's recent trip to the west coast. In addition, EARLE OAKES and HARRY FUNK will provide the club with demonstrations of their respective prestidigitator talents. It should also be noted that club members should be prepared to offer nominations for next year's officers at the meeting.

We are happy to announce that the club has received a written confirmation from the Upper Darby Department of Recreation for APRIL 5, 1985 as the date for our magical review. A minimum profit of \$300 has been guaranteed to the club for our efforts which are scheduled to include an afternoon matinee as well as an evening show.

BOB LITTLE'S FIESTA OF MAGIC was well attended by DVCC members who, no doubt, came away inspired and enriched by the extravaganza. The club extends a warm round of applause to Bob for providing, once again, a super event.

President JOHN WADE wants to remind all interested club members to make plans now to attend the I.B.M. Convention to be held in Long Beach California this coming July 5, 6, 7, and 8. Telephone 213- 432- 6926 for specific details.

DVCC's "Dean," FRANK OLKOWSKI (FRANUS) is to be congratulated for his half hour performance at the Springfield Mall this past Saturday as part of their "Salute to Veterans" Celebration.

The club wishes to formally acknowledge and congratulate MARTY BRUMME as our newest member. Marty's performance at the October meeting was well received by all, and we are delighted to have him with us.

As a final note, it is with deep regret that we have learned of the passing of ED WINKEN'S father. The club extends to Ed and his family sincerest sympathy for their loss.

QUOTES TO CONSIDER: "Nate Leipzig had two rules which all magicians should heed -- 'If their attention palls in the slightest, change tricks quickly,' and more important: 'Don't ever perform unless coaxed.' Leipzig realized that many people may ask to see a trick out of politeness, but would not press the point unless genuinely interested." -- Lewis Ganson, Dai Vernon's Tribute to Nate Leipzig.
