DECEMBER 1992

Notice is hereby given that the next stated meeting of the Delaware Valley Conjurers Club will be held on Monday, December 14, 1992, at one of the following specified times. This Monday evening will be our Holiday Family Night Spectacular! The show will start PROMPTLY at 8:00 p.m., so if you are one of the featured performers, please get there by 7:30 to set up and so forth. Everybody else should get there before showtime, and since this is being billed as a Family Night, howabout bringing your family? It won't cost much, and it will give your loved ones an idea of why you go out once a month to the club meetings.

I would like to list all of the talent that will be performing Monday night, but I didn't write it down, and I don't want to slight anybody by not mentioning them, so if you want to know who's performing, COME TO THE SHOW!!

At some time during the show, the winners of last month's contests will be announced. If I act quickly enough, the winners might also get trophies, but don't be holding your breath. I know who won, and I'd really like to tell you, but I'm not allowed - Prez Kelly threatened me, and he's a Marine, so I listen to him.

The Dick Gustafson Magic Extravaganza will be at the Keswick Theatre in Glenside the end of the month. I can't find my flyer that has all of the details (do you see a pattern developing here? Am I too young for Alzheimer's?), but I do recall that if you order tickets and mention that you are a magician, you get a discounted price.

We don't want to waste a lot of time Monday night electioneering, so we'll waste it at the January meeting. Up for grabs are the offices of President, Vice President, and Secretary Who Submits the Ring Reports to the Linking Ring.

Looking for that special something to ask for for the holidays? At one of the uniform/specialty shops on Walnut Street near the theaters is a store that sells neat stuff, and I noticed a cummerbund, suspender, and bow tie set that has playing cards all over it. For those of you with deep pockets, this outfit by designer Nicole Miller can be yours for just over \$200. I think I'll wait for it to go on sale.

Next Month: January 1993. Everybody gets a year older, except Jack Steck.
