JUNE 1993

Notice is hereby given that the next stated meeting of the Delaware Valley Conjurers Club will be held on Monday, June 14, 1993 (Flag Day, for those of you who observe it), at 7:30 post meridiem. Prez Kelly has decreed that the program for the meeting will be "Help Me Out" (stop the snickering - that's the "royal" me, as in members attending). The idea here is that we will first discuss whatever magical problems we have, and then break into small focus groups to work on them. It could be kinda like one of those 12-step meetings you're always reading about: "Hi, my name is Greer, and I'm a magician who's having trouble with my double-lift."

Also on Monday evening, erstwhile member Jules Hirsch will be stopping by to try out a routine he's working on for a competition he's entering. He will be performing the routine, and then requesting feedback. Let's be nice.

One more thing - that reporter who was supposed to show up last month stiffed us, but may show up this month. Once again, the rules are as follows: be polite, offer to show off, but don't tip anything in front of the media.

Magic in the area: "Castle Magic" at the Trump Castle, "Jubilation" at the Taj Mahal, and an assortment of magi at Trop World...David Copperfield due back at Caesars August 5 - 10 and again October 29 - 31...Thru the end of June, "Flash" is at Lily Langtry's, featuring 2 magicians.

Convention update: what with the 2 national conventions being a little too far away for most of us, I see in the magic press that there are a couple coming up that are somewhat close by. The Big 3 Convention is set for July 29 - 31 in Baltimore, MD (contact: Mike Schirmer, 410.485.7863). Also, what's being billed as The International Festival of Children's Magicians will be held in Williamsburg, VA, on August 12 - 14 (phone: 804.423.3867).

I also see that Larry Becker and Lee Earle will be conducting a one-day seminar on Mental Magic in Allentown on September 18. Details on p. 85 of your June Linking Ring.

Next Month: July. Magic with apparatus (neat gadgets & stuff).
