MARCH 1993

Notice is hereby given that the next stated meeting of the Delaware Valley Conjurers Club will be held on Monday, March 8, 1993, at 7:30 post meridiem. Once again, from Prez Kelly's List of 63 Things To Do at a Magic Club Meeting, this Monday evening has been designated as Magic with Paper Night. Along with the ever-popular torn & restored paper, there are other things magical to do with paper - billet switches, magic with bills, ... Come Monday night and share and learn.

Annual plea for dues: It's still only 10 bucks - pay the man!

The following info is a rehash of last month's newsletter - I'm pressed for time to get this out, and there really isn't that much else to report on.
