Hello friends,

How about that lecture last month? Was that awesome or what? I have received so many great comments and I know there are a lot of empty/crushed soda cans out there now. There are in my workshop!!!

This month coming will be a real treat too!

Troy Hooser will be lecturing for us! He is co-author of the new book, "DesTROyers" with Joshua Jay. I have heard nothing but good comments about Troy. He is a finger flicker with cards and coins but promises to have something for all skill levels. Even a "self-working" coin trick!!!

Jason Taylor will be doing our teach-a-trick segment and I know he's been working on this one! You don't want to miss it.

Tickets for the lecture are \$5.00 for members and \$10.00 for non-members and we will kick-off at 7:30 p.m.

Hope to see you all there!
