Hello fellow conjurers,

Wow, have we been having a great year of magic or what? A great auction and two incredible lectures so far and we are not stopping yet! This month promises to be a real treat!!!

Our very own **Marc DeSouza** will be presenting his new lecture based on his book that was just released. Marc is an internationally renowned magician and an absolute wealth of magic knowledge! This lecture is not to be missed! We are so fortunate to have Marc as a member of our group and I hope you all come out and show your support.

Here's some incentive...This lecture will be **FREE to all members!!!** That's right, save your money for Marc's new book. Non-members only pay \$5.00 at the door. This is our first of two free lectures this year. With dues at only \$10.00 a year, it pays to stay active. See Bob Jensen about your current status.

Here's another incentive to come out to April's meeting...Our very own **George Hample** will be presenting our teach-a-trick segment. Anyone who has had the privilege to see George perform knows that he is a true pro as well. He has invented many tricks that are on the market and has a wonderful rapport with his audiences. Don't miss George kicking off at 7:30 p.m.

We also have a few new members presenting an effect for the group, always a good time! If you are a new member, please feel free to bring something along to show us!!!

That's it for this month, we'll see you all Monday, April 8 at 7:30 p.m.
