2-2003

Hello friends,

It's that time again. Time to gear up for yet another great night of magic!!!

February 10th is our next meeting and what a killer it will be! We have the famous **Paul Wilson** in from England to enchant us with his incredible magic. You will learn a lot of stuff that you will actually do! No fluff!!!

This guy has been to Marc's house many times and he always sells out! Be sure to come see why. The lecture is only \$5.00 for members and \$15.00 for non-members. Yet another reason to get your dues up to date!

And not only that...but our very own **Don Camp**, in form Monday Night Magic will be doing the teach-a-trick segment.. Can't wait for this.

So, we'll see you all on the both for **Paul Wilson** and **Don Camp**!!!

See ya then,

Eric
