Hello fellow Conjuror's,

I hope you all had fun at the Ken Scott lecture. He did a great job and I know you'll be using some of it!

This Monday is our March meeting (sorry this is a little late) and we are in for a real KICKER!

International close-up champion, **John George**, will be lecturing for us! He is going to perform his complete award-winning act and then tell us how to do it! The second half will be filled with other material right out of his working repertoire! This should be a hoot!

Also, **Alex Lourido**, will be doing teach-a-trick for us. This is his first time doing this, so you have to come out and support him!

The lecture fee is \$5.00 for members and \$15.00 for non-members.

BUSINESS:

In keeping with our new tradition of keeping the business meeting under 20 minutes, here's some follow-up stuff:

1. Pont volunteered to handle welcoming new members. He put together a little packet of info with all the necessary forms. He'll still need some help introducing them around and making them feel welcome. That's where you come in! We should all be doing this anyway, but I need a few folks willing to help out. Let us know Monday night.
2. We voted to contribute \$500.00 to the Muhlenberg College Theory & Art of Magic program. Big thanks to you all from Larry Haas!!!
3. Thanks for keeping the noise down in the back of the room last meeting. We're getting there!

See y'all Monday the 8th,
